A CARD.

To the Democrats of the Tenth Congressional District of Kentucky:

Many partial friends of mine, representing nearly every county in the district, have been kind enough to express the desire that I become a candidate for the Democratic nomination for Congress. I heartily appreciate their allegiance and I do not hesitate to say that I should be gratified to become the Representative from the district, but I am fully aware of the difficulties in the way of Democratic success in a district which gave a Republican majority of about 800 in the last Congressional race, and 600 in the recent election for Governor, and I would not be willing to enter upon a bitter contest for the nomination.

I have accordingly talked with every Democrat who I could learn had any Congressional aspirations, but have found no one who is a candidate; in fact practically all of them have said to me, either in person or by letter, that they were not and would not become candidates.

The Republicans have already called their convention for May 5, and, in most of the other districts nominations are being made, or conventions have been called for

that purpose. Feeling, therefore, that it is time the Democrats were taking some action in this district, and believing, as I do, that, with a united democracy there is a good chance for our party's success at the coming election, I have decided to announce my candidacy.

Earnestly soliciting the support of all Democrats, and promising, if nominated, to make every reasonable effort to win, and, if elected, to devote my time and energies to advancing the interests of my constituents, I am,

Yours very truly,
A. F. BYRD.

New Pension Law.

The new pension act which went into effect on April 19 gives to 201,051 widows and other pensioners an increase of \$4 a month. All pensioners getting less than \$12 will receive that amount commencing April 19 without the necessity of putting in new claims. The increase will act automatically.

In addition to the increase of \$9,050,448 in the amount of the pension roll it is estimated that \$2,592,000 in additional claims filed during the coming year on account of the provisions in the new act granting a pension of \$12 to widows of officers and enlisted men who served ninety days or more in the army or navy during the Civil War. The new act will give an increase to one widow of a soldier in the War of 1812, to 183,095 Civil War pensioners under the general act, 7,097 Mexican War beneficiaries and to 3,171 widows of participants in the Indian wars. The appropriation asked of Congress this year is over \$162,000,000, being \$6,000,000 more than the appropriation of 1898, which was the largest ever authorized.

Our Dilapidating Sidewalks.

Our side walks are in a terrible condition in all parts of town. The property owners have all been notified to put them in good condition but most of them so far have ignored such notice and some of these days Clay City is going to have a big damage suit on their hands.

The way the city ordinance now applies it is rather a slow way to get good walks only where the property owners make such improvements needed with their own volition. The city can build a walk and that gives them a lien on the abutting property which can be secured by a process of law, which generally costs the town more than the walk.

What we need is an ordinance fining property owners so much per day for not putting their walks in repair as directed by the council. When this is done the property owners can be soon fined enough to build the walk and the town still have the lien on the property.

Shooting Near Xena.

Sunday at Chop Chestnut grave yard near Xena while digging a grave for Tommy Townsend, a fellow by the name of Caine from Jackson county shot Ike Friend three times in a dispute over a debt of 95 cents which Friend held against Caine. Caine after shooting broke and run, and though F. G. Powell Deputy Sheriff hotly pursued him he eluded arrest and has not yet been found. Friend died Wednesday.

Time to Wake Up.

The editor of Farm and Fireside is on a sure 'nuff campaign for good roads. He says: "Bad roads produce a waste and burden market conditions. These affect every person throughout the land, and are, therefore not a local question. Road conditions in Illinois, for example, influence the price of produce in New York. Shall the residents of the city continue to suffer indefinitely because the farmer cannot or will not build good roads and relieve the situation? From the farmers view point the task is an impossible one. Therefore he usually pockets his loss, swallows his pride and does not attempt the task. Great undertakings, the benefit of which are country wide, have proven too great for local solution, and such as will lessen waste, conserve energy, advance civilization and increase wealth are legitimate government functions.

Brodhead-Garrett Company has their yards full of lumber, and as they are not able to ship out very much, the yard is fast becoming over crowded, and more room must soon be provided to stack the future cut of the mill, more shipments made or the mill run on less time. The price is down and the demand for lumber is very light since the panic.

Our Spring Stock is now ready for your inspection. We have the largest and most complete Stock to be seen in the county. It will pay you to see us before making a purchase elsewhere. Hardwick & Co.

Killing on South Fork.

Robert McKnabb shot and instantly killed his brother-in-law, Frank Manning on South Fork Saturday. The trouble arose over a settlement and Manning was at McKnabb's house and opened fire on him. McKnabb had his examining trial before Judge G. M. Derickson at Stanton yesterday and was acquitted.

Well, the rooting hogs have been stopped with but little opposition. Everybody in Clay City wants to obey the ordinances of the town all they want is to see that the city officials want them enforced.

Will He Give a Rebate?

Governor Willson started out with the policy that all the State employes should be paid only for the days they actually work. He announced that he would not appoint any man as a member of the Board of Equalization who would ask for pay for a single day that he had not worked.

When the Legislature passed a bill allowing the guards at the penitentiary, who work seven days in the week, a few days vacation without cutting off their pay, he vetoed the bill. While this has been his declared policy with reference to others, it is not unusual for Governor Willson to be away from his office and out of Frankfort for a week or ten days at a time, pleasure seeking or looking after his private or political business. We wonder if he allows the State any rebate on his salary for the missing days. His salary is \$17.80 a day, considerably more than \$100 a week, and for a rebate of \$17.80 for each day he has been away from his office on pleasure or private of political business would make quite a snug sum.

It is claimed that many citizens who have gone to Frankfort on official business with the Governor, have been kept waiting there on expense, until it pleased His Excellency to return to Frankfort. — Winchester Democrat.

A. Floyd Byrd, of Clark county, announces in this issue of the Times his candidacy for Congress in this district. Mr. Byrd is a most fitting man for the place. He made a strong fight for the nomination two years ago, and had he been nominated as he should have been, he would have been elected instead of John W. Langley, Republican. He is one of the strongest men in the district, and though we do not know what other Democrats will oppose him in the race, he justly deserves some consideration from the Powell Democrats, having been reared in the neighboring county of Wolfe and being now a resident of the adjoining county of Clark.

Mr. Byrd is honest, fearless and a true and tried Democrat who can beat John W. Langley by a good majority this fall. There may be many Democrats

in the district who can do this, but Mr. Byrd is certainly one of the number.

Louisville has formed a Law and Order League to look after the night ridden districts of the State. If the citizens of the metropolis will turn their attention to their own city and remove some of the lawless and obnoxious evils, so peaceable and quiet citizens of the State can spend a night there in safety and without fears of molestations, they will have performed a much grander work, and one so difficult that no citizens of the State outside of Louisville would dare tackle.

Bradley says Taft cannot carry Kentucky if nominated. We guess not, the Democrats who directly and indirectly put such a man in office as he, Bradley, have become so disgusted with him that they will not again vote for a Republican in a decade. And of course no Republican has ever carried Kentucky except by Democratic votes.

Gov. Willson, after hearing all the argument in the Powers-Howard petitions for pardons, says he will examine the records and act on the merits of the case. The only question then is were the acts of these men in the Goebel conspiracy justifiable or not.

Bradley is said to have passed the hat around to the Federal office holders and got a good lump to assist in his campaign for United States Senate. Fairbanks must have been the most liberal of the whole lot, and that's why he is so strong for him.

Governor Willson's soldiers and detectives may have gotten in good work at the night riders, but what he has done to them looks like ten cents by the side of what County Judge Wells has done for them down in Caloway county.

They say it is against the law to seine for fish, but that's the end of it in Powell county. Had the fishing laws been strictly adhered to, there would be twice as many fish in Red river today as there are.

Suing night riders in different parts of the State reminds us of children's letters at Christmas times dropped into the postoffice addressed to "Santa Claus, North Pole."

Mud roads, such as we have in this county, costs teamsters and farmers at least one dollar every day they use them. But dear as they are we must have them.

It is about time for the big shows to start to traveling over the country and getting the people out of their hard earned cash.

The boast comes that night riding is at an end. Yes, and so is the 1908 crop of tobacco.

DALVAY.

Chesnut horse 6 by the Commoner (son of Hanover and Margerine by Algerine) dam Levisia by Brutus, second dam Llera by Fonso, third dam Acicenta by Canada. Bred and raced by Talbot Bros., Paris, Ky., and sold as a three-year-old to M. H. Tichenor, of Chicago.

Dalvay's only start as a 2-yr.-old was at Washington Park track, Chicago, on July 14, 1903, when he ran unplaced in a purse race won by Blumenthal with Dunganon second and Martius third. As a 3-yr.-old, however, he was well high invincible, being inside the money in each of his starts. With a single break, where he finished second, Dalvay won eight straight races, beating the best horses at the Chicago track. The following is his record for the year 1904:

June 29, Hawthorne—Purse three-year-olds, 6 furlongs—Peter J. Somers 122, won; Dalvay 114, second; Singing Master 114, third; Fourteen Starters. Time, 1:15 2-5 \$85.

July 4, Hawthorne—Purse, 3-yr.-olds, one mile—Ananias 109, won; Dalvay 102, second; Miss Crawford 104, third; Seven Starters. Time, 1:41 3-5. \$75.

July 16, Harlem—Purse, three-year-olds and upward, 7 furlongs—Dalvay (3) 93, won; Don't Ask Me (5) 111, second; Comrade (3) 98 third. Ten starters. Time, 1:27 3-5. \$465.

July 21, Hawthorne—Purse 3-yr.-olds 7 furlongs—Dalvay 112, won; Maj. T. J. Carson 112, second; Dell Leath 101 third. Six starters. Time 1:28 3-5. \$500.

July 24, Hawthorne—Purse, three-year-olds and upward, one mile—Dalvay (3) 94, won; Foncesta (3) 89, second; Gregor K. (4) 99, third. Six starters. Time, 1:41. \$400.

Aug. 4, Harlem—Purse, three-year-olds and upward, 1 1-16 miles—Dalvay (3) 102, won; Jake (4) 108, second; Foncesta (5) 107, third. Five starters. Time 1:47 3-5. \$100.

Aug. 24, Hawthorne—Purse, three-year-olds 1 mile—Emp. of India 102 won; Dalvay 105, second; Foncesta 105, third. Seven starters. Time, 1:43. 75 dollars.

Aug. 29, Harlem—Purse, three-year-olds and upward, 1 mile—Dalvay (3) 103, won; The Lady, aged, 104, second; Peter Paul (3) 93, third. Six starters. Time, 1:40 3-5. Five hundred dollars.

Aug. 31, Harlem—Purse, three-year-olds and upward, 1 mile and 70 yards—Dalvay (3) 93, won; Shawana (3) 88, second; Celebration (4) 99, third. Six starters. Time, 1:42 3-5. \$500.

Sept. 9, Harlem—Purse, three-year-olds and upward, 1 mile—Dalvay (3) 100 won; Wainamoinen (5) 99, second; Gregor K. (4) 102, third. Five starters. Time, 1:39. \$500.

Sept. 15, Hawthorne—Purse, three-year-olds and upward, 1 mile and 70 yards—Dalvay (3) 97, won; Port Royal (5) 112, second; Felipe Luga (3) 97 third. Four starters. Time 1:45 3-5. \$500.

Oct. 5, Kansas City—Purse, three-year-olds, 1 mile—Judge 105, won; Dalvay 110 second; Toledo 105, third. Three starters. Time, 1:42. 75 dollars.

Oct. 23, Kansas City—The Foster Trophy Handicap two-year-olds and upward 1 mile—Dalvay (3) 112, won; Otto Stifel (3) 107, second; McGee (4) 120 third. Six starters. Time, 1:39 1/2. \$4,140.

Oct. 25, Kansas City—Handicap, all ages, 5 furlongs—McGee (4) 117, won; Otto Stifel (3) 111 second; Dalvay (3) 118, third. Seven starters. Time, 1:12 1/2. 25 dollars.

Oct. 29, Kansas City—Purse, three-year-olds and upward, one mile—Dalvay (3) 103, won; Harbor (3) 91, second; Forister (3) 91 third. Four starters. Time, 1:40. Four hundred dollars.

In 1905 Dalvay started three times and was once unplaced. His winning races follow:

Jan. 19, Los Angeles—Purse, all ages 5 1/2 furlongs—Dalvay (4) 103, won; Tim Hurst 3 94 second; Pasadena 3 90 third. Eight starters. Time, 1:55 1/2. \$325.

Feb. 1, Los Angeles—Purse, all ages 6 furlongs—Dalvay 4 114 won; Tom Payne 4 105, second; Ora Viva 5 108, third. Four starters. Time, 1:13 1/2. \$325.

In 1906 Dalvay was started twice. At Brighton Beach July 26 he finished a good fourth after having been practically left at the post, and Aug. 13 at Saratoga broke down and has not since been trained. It will be noted that in his race at Harlem Sept. 9, 1904 Dalvay ran a mile in 1:39, defeating a number of the fastest horses in the West. He won, pulled up by two lengths and could unquestionably, have made better time had it been necessary. In all Dalvay won twelve races, was four times second, once third and four times unplaced. His winning totaled \$9,290.

This most excellent horse will make the season of 1908 at the stable of Thos. Conlee 1 west of Stanton at the low service fee of \$10.00.

This is an excellent opportunity for Powell county farmers to get the service of a thoroughbred horse. There is no better in the State.

Virden.

Killes Ware has moved in his new house recently.

Willie Curtis was at Clay City Saturday on business.

Aunt Bettie Everman is on the sick list at this writing.

Elsberry Olemons left Sunday morning for Oklahoma during the summer.

Gardening is all the go now. There is a good portion of it up and looking nice.

We are having some fine spring weather now and the farmers are making good use of it.

Mrs. Besse McIntosh visited her parents, C. C. Clemons and wife, Sunday and Monday.

Levi M. Everman, of West Bend, was in this neighborhood one day last week buying calves.

Rev. M. P. Lowry filled the stand at the church here Saturday and Sunday. A good attendance.

Here comes the Virden correspondent again after a delay of some few weeks and will be on hand now regular.

Those who attended church here Sunday were: Misses Allie and Jennie Berry Agnes Roberts and Messrs. Herman Cheater and Henry Everman and Charlie Young.

Fishing seems to be in vogue now a days. There was a crowd of ladies went from here to Lubegrud creek Tuesday after the funny tribe and fished till in the afternoon when they took a notion to visit a neighbor's house. They left their fish and poles on the creek bank, and on their

return they were very much disappointed to find that some one had beat them and got their fish and gone. Consequently their fish was no burden to them coming home. The crowd was composed of Misses Belle, Lillie, Mary and Grace Ware, Nellie Olemons, Sadie Curtis, all of this place, and Misses Fannie and Carrie Curtis, of Old Pine Ridge. They all report a fine time if they did get their fish stolen.
